

## 2017 VICTORY LUNCHEON - A GREAT SUCCESS

We are thankful for all who volunteered, served as Table Hosts, partnered financially, and covered the event in prayer. God was glorified throughout the afternoon. The room was filled with inspiration and vision for the FCA ministry in the Nation's Capital.

Here are some highlights from the afternoon:

\* 200 guests attended the Luncheon (record number).

\* Becky Wagner, along with daughter Caroline, Landon Johnson, and David Kelly, Jr. shared the legacy of our friend and former Board Chair, C.A.M. Wagner, and his passion for sending inner-city kids to camp.

\* The C.A.M. Wagner Memorial Scholarship Award was presented to *Raianna Canaday*,

student at Eastern High School.

\* Sherman Nelson and Hector Feliciano were introduced - they are in the process of raising funds to be part-time staff. This is a historic achievement in the FCA-DC ministry - having more than one FCA staff person ministering to coaches and athletes in the city.

\* Dave Gittings' message, "Give Up (to God), Give In (to the plan of God), Give Out (to the people of God)" was powerful and grabbed the attention of the guests - especially when he said "write down your plans with a pencil and give God the eraser".

\* We were blessed to receive \$54,000 in gifts and faith promises. If you were unable to attend and would like to support the ministry visit [www.fcadc.org/donate](http://www.fcadc.org/donate)

It was a joy to share how FCA-DC continues to grow and how it impacts the coaches and athletes in Washington DC.
