“And how are they to believe in one they have not heard of? And how are they to hear without someone preaching to them?” Romans 10: 14

We started off the new year with a bang. Having seen two young souls rescued brought us great joy.

Cheah Ka Wai came to our community soccer and ultimate frisbee programs with his school friends. We could observe that he was having trouble controlling his temper. There were several occasions where he got into fights while playing. Our volunteer, Stanley Ho, kept ministering to him.

After school, he took up culinary arts in Kuala Lumpur. He was finally moved to have Jesus as his personal Savior on 21 Jan 2018.

Advin Yeo met Coach Chan last December when his family moved to Alor Setar.

As they got to know each other better, Coach Chan kept sharing Jesus to him. On 25 Jan 2018, he received Jesus into his life.

“I will be accountable to God for this: What did I do with all those kids that He gave me? What did I do to build His kingdom?”

Dabo Swinney, Head Coach of Clemson University

Intrinsic Coaching and Mentoring through “Engaging the Best Self”.

All FCA staff, an intern and a Board-Member came together for two days to learn from Coach Cindy Koo on the above. The coaching session taught us how to relate with people better.

“Coaching is all about having someone believe in you and encourage you, about getting valuable constructive feedback, about seeing things from new perspectives and setting your sights on new horizons.”

IPOHBUG

2008 - 2018

We had the great pleasure of hosting Dan Britton, FCA International Head, for a day.

Dan visited the players from KLBUG and encouraged them through FCA Core Values. KLBUG leaders got to share their plans with Dan over dinner.

Dan will return for an official visit this August 2018.
