

NORTH BAY LEADERSHIP CAMP

Camp season is off to a great start. Earlier this month, 8 students and 3 coaches from the District participated in the Leadership Camp at the North Bay facility in Maryland - they joined over 500 others (campers, coaches, huddle leaders, staff and volunteers) at the camp - the largest Mid-Atlantic Region Leadership Camp ever!!

During the weekend, campers received Biblical and spiritual leadership skills training, "carried their cross" all weekend, were exposed to great messages and testimonies during the assemblies, and even had time to enjoy fun activities and competitions.

We hope the pictures and video give you a snapshot of the camp experience. We are thankful for all donors who provided funding to help us send kids to camp (and to provide transportation) and for your prayers throughout the camp season during the summer.

NEWS NATIONAL NEWS

International Camps Make Global Impact

All across the U.S., FCA will reach tens of thousands of coaches and athletes this summer through its impactful Camps program. But beyond the hundreds of Camps throughout America, FCA International will host nearly 300 Camps around the world, reaching about 35,000 participants in 45 countries. At FCA Camps outside the U.S. last year, 3,344 people made first-time commitments to Christ.

Fellowship of Christian Athletes Washington DC

"FCA has embarked on an intentional journey to reach those in all 196 countries around the world, especially as sports brings people of all cultures together. Last year, FCA International was privileged to witness more than 5,500 individuals give their lives to Jesus through Camps, Huddles and other FCA gatherings. That is an awe-inspiring experience, and we are so blessed that God has allowed us to be part of his plan for souls around the world."

- Dan Britton, FCA Executive Director, International Ministry
