WHY I CHOOSE TO SERVE FULLTIME BY STANLEY HO

Sports is something that is in me. The best memory I had during my early adolescent was having a bunch of neighborhood friends playing soccer together every evening through rain or shine after school. We formed a team and have our own jerseys. One of the team member who is a Christian, introduced Jesus to me. He brought me to the youth service and I had so much fun while learning more about Jesus. I got more interested so I went for the Sunday service as well. Shortly after that I gave my life to Jesus. I was led to Christ through sport.

“I plead with you to give your bodies to God because of all He has done for you.” Roman 12: 1

I was introduced to IpohBug by one of my soccer’s mate. During the early days, I would join them every Sunday to play soccer. After several years, I was asked to assist in the programs and I began to see the actual role of IpohBug as a sports outreach among the teenagers in the city.

Before completing my degree in Psychology, I did four months of internship with IpohBug. My plan at that time was simply to graduate and get a high paying job. Upon graduation, I had a change of heart. It was no longer the desire to get a high paying job but rather to do something of significance.

Finally, God uses Romans 12 to inspire me into making the decision to serve His people through sports ministry. In Romans 12: 1 “I plead with you to give your bodies to God because of all He has done for you. Let them be a living and holy sacrifice—the kind He will find acceptable. This is truly the way to worship Him.” Looking back, it was through sports that I was led to Christ, therefore I would now offer myself to serve Him through sports outreach to help others to come to know Him too.

BREAKING NEW FRONTIERS BY WILLIAM CHANG

We started off the New Year pursuing from where we left off at the end of 2016. Just within the first week of 2017, our coaching influence among the schools increased to 8 schools. We wish to see our newly trained 3D coaches impacting the students in greater capacity this year.

Coach Chan took his soccer team into Gua Musang, Kelantan to introduce Soccer Outreach to the local pastors. They played a friendly match with the locals and presented them with footballs plus jerseys. We pray that this visit will trigger off a sports outreach there as this state is among the 3 states that are still without sports ministry team.

We will be conducting two 3D Coaching seminars for 70 coaches in Penang and Kuala Lumpur in early February 2017. Then in March our team of soccer coaches will fly in to Miri, Sarawak (East Malaysia) to train 30 local tribal Christians on running Soccer Outreach.

Please keep us in your prayers. God Bless.
