

COMMUNITY

We are excited about our upcoming Victory Luncheon on May 4 at The Hamilton downtown (14th and F St. NW).

Don Davis will be our featured speaker. Don played 11 years in the NFL with the Saints, Bucs, Rams and Patriots where he won 2 Super Bowls. Don believes the only reason he was allowed to play so long in the NFL is because he was called to minister to athletes and teach them about Jesus. After retiring in 2007, Don served on the Patriots staff as Team Chaplain. Later he became Director of NFL Programs for Pro Athletes Outreach and since 2010 he has served as Regional Director of the National Football

League Players Association. Don's prayer is that through humility, honesty, transparency, and authenticity, all will see God shining through him on a daily basis.

We look forward to sharing the vision and ministry of the Washington DC FCA with you during the luncheon on May 4. There is no cost to attend, but there will be an opportunity to support the ministry during the program. Please visit our web site, www.fcadc.org, to register your attendance.

CAMPS

As we hopefully begin to wrap up this winter season, we begin to set our sights on the FCA camp season. We have opportunities to send our inner-city kids to both an over-night Leadership Camp the first weekend in June and an over-night week-long Sports Camp at the University of Richmond the first week of July. Our goal is to send 5 kids to Leadership Camp and 25 to Sports Camp (total cost of \$12,000 plus transportation). If you can help us reach this goal with financial support, please visit our web site, www.fcadc.org, and click the donate tab or you can send a check to FCA-DC, 801 G St., NW Washington DC 20001-3729.

COACHES

"The FCA Coaches Huddle has been instrumental for me and Clint Musser, my assistant, this season. We are so appreciative of what you have brought us. It is a weekly reminder, inspiration, and motivation. Our season was fraught with tough challenges but we overcame, and in my opinion we overcame because of what you have given us. It allowed us to remain focused on the right things, stay positive in the most debilitating times and remember that our job is to mentor young men for a Greater Good." -

Teague Moore, Head Wrestling Coach, American University. You can meet Teague and hear more from him about the coaches huddle when he speaks at our luncheon on May 4.
