

We are excited to present Hector Feliciano. Hector has been on staff since July as our Area Representative serving the coaches, athletes, and community in the Northwest portion of the District.

Hector is a native of Puerto Rico and remained there until moving during high school to Richmond, VA where he graduated from The Steward School. Thereafter, he attended Christopher Newport University where he played basketball and graduated with a BA in Interdisciplinary Studies. Hector is also a Certified Personal Trainer, a Sports Performance Coach, and an Insanity Live Certified Instructor. Hector was introduced to FCA while in college and God used FCA to teach him about Christ and convicted him of idolizing basketball over having a personal relationship with Christ.

Hector has always believed in sports and fitness as helpful platforms for having positive influence in the lives of people. But, through his active involvement in his local church and in discipleship relationships, he has grown to appreciate and value Paul's words to Timothy: ***"Rather, train yourself in godliness, for***

training of the body has a limited benefit, but godliness is beneficial in every way, since it holds promise for the present life and also for the life to come". - 1 Timothy 4:7-8.

Hector is married to Kathryn and they live in Washington, DC. He is thrilled to work with FCA to impact coaches, athletes, and communities for the honor and glory of Jesus Christ.
